

PAULO SANTOS

UI/UX Designer

DETAILS

Martinsville, NJ, United States

zebroa10@gmail.com

(732) 236-2829

PROFILE

An aspiring UI/UX designer with two years of hands-on experience in team collaboration and process organization. Proven ability to train and mentor peers, ensuring easy transitions and skill acquisition within fast-paced environments. Adept at managing multiple tasks, showcasing a commitment to delivering exceptional results from concept through to execution. Eager to leverage strong organizational skills and a passion for user-centered design in a creative and impactful role.

EMPLOYMENT HISTORY

Team Member, Pancheros, Bedminster

MARCH 2022 – AUGUST 2023

Trained and mentored new team members to ensure they quickly learned the required skills and processes of making the food. Also organized different parts of the business, such as food and online to in-person orders.

Team Member, Auntie Ann's, Bridgewater

NOVEMBER 2023 – PRESENT

Also trained and mentored new team members about the whole process of making the food and the organization behind it. This job required more organization with different places you need to work and a separate cart away from the store that would act as a mini store.

EDUCATION

Interface Design & Web Development, Raritan Valley Community College, Branchburg

AUGUST 2022 – MAY 2025
